## About

Welcome to the Erasmus+ Project Results Platform.

This database will give you access to descriptions, results and contact information of all projects funded under the Erasmus+ programme and its predecessor programmes in the field of education, training, youth and sports.

You can find inspiration from the pool of good practices and success stories, i.e. projects that distinguished themselves in terms of policy relevance, communication potential, impact or design.

You can type keywords in the above search box and/or use the advanced search options to find the project(s) you are interested in.

### Summary

#DopOut project consists of the sharing at EU level of a UISP best practice of a social media communication and awareness raising campaign addressed to young people (11-18 years) on doping and pharmacological pollution (use of drugs and prescription medicines) in sports, aiming at: Increase awareness of adolescents on doping related issues and their knowledge on health protection focusing on damages caused by the use/abuse of additives and by doping-Positively influence young people on health issues, the psycho-physical well-being and, consequently, on their lifestyles choices-Enhance the social and ethical values of sportDoping issue includes the themes of eating habits, lifestyles, use/abuse of protein supplements and pharmacological additives.The project will involve schools' students and adolescents and will be developed with their active participation, as for the peer-education approach, in the enlivenment of a communication campaign through social media and multimedia tools.Young people will create and independently manage the campaign, directly designing tools and materials and animating it by posting videos, messages and all materials they may produce. Students will also contribute to the elaboration of promotional video (shaped as a speechless animation, hinging on symbolisms and universal languages) and co-design promotional sports events aiming at involving adolescents outside schoolsA promotional conference will also be organized for the start-up of the campaignAn evaluation report will be elaborated and presented to main sectoral stakeholders, Institutions, Sports governing bodies, politicians and EU Parliament Deputies in a final conference to be held in BrusselsThe project will be implemented in 7 EU countries, involving the following partnersUISP-ITCONI SERVIZI-ITISCA-DKGREENWAYS-GRAJSPTSV-ROMUGLA GOVERNORATE-TRRADIO CAPODISTRIA-SISPORTUNION-ATAssociate: IT Ministry of HealthThe project will last 24 months: 01/01/17 - 31/12/18

Subject: Publication of your project: 579784-EPP-1-2016-2-EL-SPO-SCP

Ref. Project: 579784-EPP-1-2016-2-EL-SPO-SCP - Notification of project publication

Dear At [redacted],

We kindly inform you that for ensuring transparency and visibility of EU funding, your project "**Identifying and Motivating youth who mostly need Physical ACTivity**" is now online on the [Erasmus+ Project Results Platform](#).

A description of your project, where applicable, has been published online at the following address: [Project Card](#)

If you wish to further enrich your project space/webpage on the [Erasmus+ Project Results Platform](#) with additional information (website, logo, project results) you can start uploading them in the [Beneficiary's dashboard](#), to which you can connect using your ECAS account. You can also manage the contact details of your organisation and of your partners - which are currently hidden by default. Displaying the contacts details will add visibility to your project, your organisation and your partners, helping other interested entities to contact you for future projects.

Please ensure that your ECAS account is associated to [sakispap@pe.uth.gr](mailto:sakispap@pe.uth.gr) e-mail address.

If you do not have an ECAS account associated to the above mentioned e-mail address, please create one following the instructions available on the [ECAS page](#).

Please keep in mind that you will be able to submit your results for review and publication only when the end date of your project has been reached. In the meantime, you can upload and modify your results, but they will become publicly available only after the validation of your final report. The only exception concerns the project's website, which you can publish anytime you want. You are encouraged to make the project website visible on the platform as soon as it is available, as it enhances the project's visibility.

Regards,

The Erasmus+ Project Results Platform

Privacy: Your data is processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal

# End Date reminder e-mail

**From:** EAC-ProjectsPlatform-HelpDesk@ec.europa.eu

**Sent:** Friday, January 15, 2016 8:00 AM

**To:** [redacted]

**Subject:** Submission of projects results for publication for your project: 2015-2-PL01-KA105-017397

Ref. Project: 2015-2-PL01-KA105-017397 - Submission of projects results for publication

Dear [redacted],

Your project "LET'S TALK - CONFLICT RESOLUTION FOR BRIGHT FUTURE", has reached the end date on 15 Jan 2016. Now you can submit your results, if any, for validation and publication on the [Erasmus+ Project Results Platform](#).

A description of your project is published online at the following address: [Project Card](#)

If you wish to further enrich your project space/webpage with additional information (website, logo, project results) you can upload them in the [Beneficiary's dashboard](#), to which you can connect using your ECAS account and then submit for review.

Please note that once you **click on the "Submit for Review" button**, you will no longer be able to make any further changes to your project card and your project will disappear from your Dashboard. Therefore, before you click on the "Submit for Review" button, please ensure that your results are ready to be published and that you have uploaded all the results you would like to submit.

**Please be aware that if you do not click on the "Submit for Review" button, your results will not be sent for validation by an officer and will remain unpublished.**

Please ensure that your ECAS account is associated to [redacted] e-mail address.

If you do not have an ECAS account associated to the above mentioned e-mail address, please create one following the instructions available on the [ECAS page](#).

Regards,

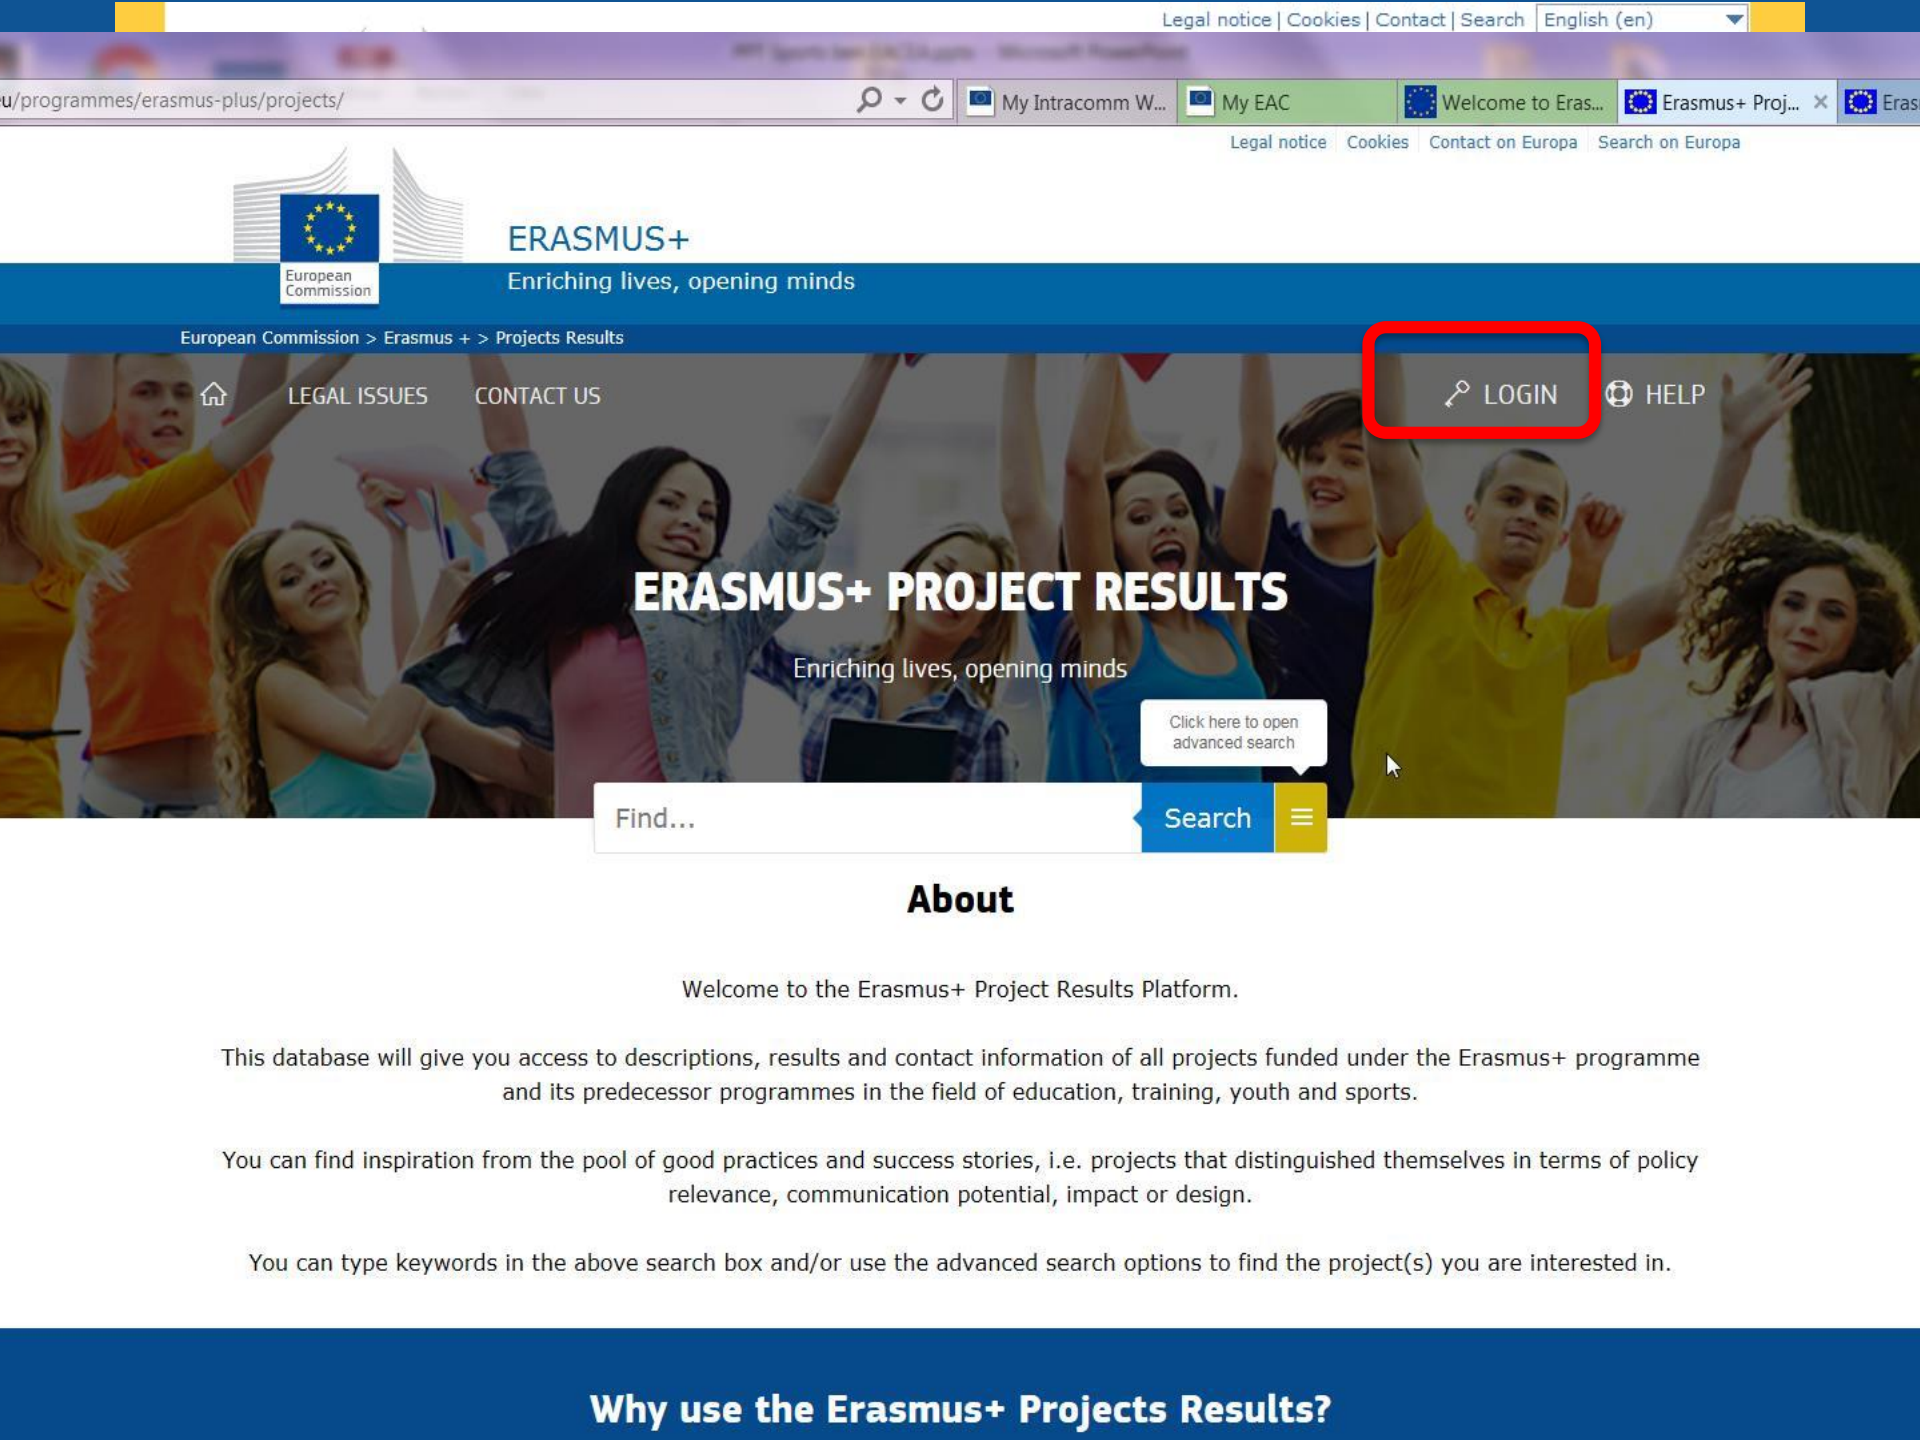

The Erasmus+ Project Results Platform

*Privacy: Your data is processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. In line with our privacy statement, your contact data may be published for a maximum of ten years after the end of the programme.*

# Erasmus+ Project Results Platform: Beneficiary Actions - Login

- ❖ How can I log into my working space (Beneficiary's Dashboard)
  - ✓ From the Platform's Home Page – Login option
  - ✓ Use your ECAS credentials
  - ✓ The "Beneficiary Dashboard" appears
  - ✓ Follow the step-by-step guidance
  - ✓ Contact us for assistance if needed
